

PACK 740

2015 SPACE DERBY

Join us Wednesday October 28th at 630pm – 830pm at Gresham United Methodist Church for some space adventure. We will receive rocket kits at the September Pack meeting or through your den leaders at the September den meetings. Design and decorate your rocket and bring it ready to race. Rockets are powered by a rubber band and propeller and race along a wire. We will have space themed fun and activities. Follow the design rules just like the pinewood derby. These rules will be distributed along with the kits. Each registered boy will receive a kit. Extra kits can be purchased for \$5.99 (price subject to change if the scout store changes it before we buy them) Adults and siblings are very welcome to join in the activities of course.

Get creative!

Come dressed up as your favorite astronaut, scientist or any space themed character or alien from history, movies or books. Costumes should meet the standards of the cub scouts and must be safe for everyone around you so no sharp objects or weapons please. If you are not sure about what meets our standards please ask one of your leaders and we can answer any questions you might have.

Some event highlights:

- Rocket design contest
- Costume contest for kids and adults
- Rocket Derby Races
- Space refreshments
- Alien crafts and games.
- Many prizes, awards and gifts.
- Lots of friends to compete with and have fun with

SO COME FOR AN EVENING OF "OUT OF THIS WORLD" FUN AND GAMES. BRING THE WHOLE FAMILY AND REACH FOR THE STARS!
